Dear friends,

This month, we are beginning weeks of celebrations: Mother's Day, the Feast of Pentecost, Memorial Day, Guyanese Independence, Graduation Sunday, Father's Day, Sunday School End of Year Celebration, and Pride Sunday.

However, we are beginning to ask a fair amount of you right now. Some of it is financial, such as donations and pledges to the **Capital Campaign for Air Conditioning of the Parish Hall**. We are also asking for physical labor. The property committee is hoping that people will help tomorrow to clean the **kitchen** walls to prep for painting. In addition, I am asking for help on May 11th to help fertilize and plant the **Community Garden**. **Pizza will be provided.**

Let's celebrate any way we can, even if some of it involves a little work!

celebrate!

As always, here is my contact info: Cell: 201.401.0358. I both text and talk. Email: trinaterose@gmail.com.
